SCHWARTZ'S: THE MUSICAL - December 14 to 16, 2018

Centaur presents the 2011 Montreal smash, Schwartz's: the Musical, based on Schwartz's Hebrew Delicatessen: The Story, a popular book about 'the Main' by Bill Brownstein, brought to musical life by Rick Blue and George Bowser (Bowser and Blue)

What could be more Montreal than the hearty smoked meat sandwich that fueled the city's bustling lifeline of merchants and their colourful clientele? The lively re-enactment is under the gifted direction of Eda Holmes.
